

Reidvale Housing Association Educational Attainment Award

Reidvale Housing Association Ltd will make an annual award to a young person resident in Reidvale who has achieved most in personal terms educationally over the past year.

The award will consist of a scroll or diploma commemorating the award and vouchers to the value of £250 to the pupil and a free let of the RNC Function Suite to the school. All schools who make a nomination will receive a free let of the RNC Function Suite. The conditions of the award are detailed below.

Conditions

1. Nominees must attend a secondary school within either the Whitehill or St Mungo's Learning Community.
2. Nominees for the award must have been resident in Reidvale since at least the commencement of the school year to which the nomination refers.
3. Nominations must be made by the school attended by the nominee no later than **Thursday 19th May 2016**. Up to three nominations may be made by each school.
4. The Association will notify the schools of their decision by the second week in June. The decision of the Association is final and no appeals will be considered.
5. The award is for Educational Attainment in personal terms. This might mean someone who has excelled academically but this is not a prerequisite of the award. In making the award the Association will take account of the scale of the nominees achievement in relative rather than absolute terms and thus a relatively modest academic result achieved in the face of great difficulty would rate equally highly.
6. The purpose of the award is to encourage our young people to seek to achieve their potential and it is intended that participating schools will promote this award and utilise the nomination process in such a way as to encourage effort and achievement.
7. The award will be presented at the Association's Annual General Meeting which is held on the last Monday in June each year.
