

Reidvale Housing Association Further Education Award

Reidvale Housing Association will make up to 5 awards each year to people resident in Reidvale who obtain a place at a University or Further Education College to undertake a course eligible for an award from the Student Award Agency of Scotland (SAAS).

Each award will be of £750 per year for each year of the course undertaken.

Certain one and two year courses are eligible for bursaries of £150 or £300 per year and further details can be obtained by contacting the Association.

The conditions and terms of the awards are detailed below.

Conditions

1. Applicants must have been resident in Reidvale for at least one year prior to the commencement of their course.
2. Applications should be made by completing the attached form and enclosing a photocopy of the offer, or provisional offer, of a place at University or College (and the Form of Endorsement completed by their school where the applicant is of school age) no later than **8th June 2018**.
3. The Association will notify applicants of their decision by the end of August. The decision of the Association is final and no appeals will be considered.
4. The award will be payable in two equal instalments for each year of the course undertaken. Confirmation of enrolment should be sent to the Association and will result in the first payment being made in December. Evidence that the full year of study has been undertaken will result in the release of the second instalment in June. For subsequent years of study similar evidence will be required.
5. The award is not repayable and will continue to be paid throughout the full period of the applicants enrolment in the specified course.
6. Only one award will be made to any applicant and further awards will not be made for additional courses although the award can be transferred to an alternative course, at the discretion of the Association, where, for example, an applicant enrolls in one course and then decides that another course at the same institution would be more appropriate.
7. The applicant must supply RHA with an up to date e-mail address which is checked by themselves on a regular basis.

8. Successful applicants must supply RHA with their bank account details and sort code. It is the responsibility of the applicant to inform the Association of any changes to their bank account or other details. An email will be sent to successful candidates requesting these details.
